

I.B.E.W. RETIRED MEMBERS CLUB NO. 617
(June 2007)

Here's Joe.

Our next meeting will be on Tuesday, June 12th at 1:00PM in the Union Hall. Some members will have lunch at the Carvery (Harry's Hof Brau) at 11:30AM as an option, prior to the meeting, but should take note that our meeting will conclude with light refreshments.

At our May meeting the members were able to enjoy an informative presentation on recognizing and avoiding fraud. A big "THANK YOU" to Ruby & John Valdez for making the arrangements.

Our trip to Fort Bragg was outstanding for the twenty-two able to go. The weather was fine and the accommodations were great. We had a wine and cheese reception on Friday evening with our Skunk Train Trip departing at 10:00AM on Saturday behind a steam locomotive. Upon our return the group split up with some doing sightseeing and others doing a beer tasting at the North Coast Brewery. The group then enjoyed a farewell dinner at the Wharf Restaurant in the harbor at sunset. The whole package was arranged and enjoyed by all thanks to Wendy Hogan.

If you are confirmed for the trip to SLAC on Monday June 4th, please be advised to be at the main gate (2575 Sand Hill Road, Menlo Park) at 9:45AM. The security guard at the gate will direct you to our staging area. Everyone will need a PHOTO I.D. such as a driver's license to go on the tour. Bring your camera if you wish.

The Occasional Lunch Bunch is moving west from our May event at the Russian Family Bistro in San Bruno to the Copenhagen Danish Restaurant 356 Woodside Plaza in Redwood City. Chairman Jim Gallagher (650) 358-9523 says give him a call if you want to come. The date is Thursday, June 21st at 11:30AM. Join the fun!

The deadline for tickets to the 34th Annual 617 Picnic has arrived. All food and beverages are provided with only a \$6.00 parking fee required. The date is Saturday June the 23rd at Raging Waters Park in San Jose. There is ample shade in the picnic area for everyone who is not waterslide inclined.

One fellow felt that his marriage was secure. But a month after he moved from New York to Kansas City, he discovered that he still had the same mailman.
