

I.B.E.W. RETIRED MEMBERS CLUB NO. 617
(September 2011)

Here's Joe

The next club meeting will be our annual "Pot Luck Picnic" at the La Nebbia Winery just east of Half Moon Bay. What a great place for a picnic and a little wine tasting. The map you received last month showed the location on Highway 92, 2 miles from Highway 1. Hope to see you there on Tuesday, September 13th at 11:30AM. Please bring your utensils. Don't forget to bring a dish to share. (If we should encounter raindrops, we will enjoy our picnic in the Union Hall.)

Everyone who attended the 617 picnic said that they had a great time. Dominic Nolan and the staff chose Coyote Point Park after Flood Park was closed this year. Thanks to the members of our retiree club who, under the direction of Bob and Faye Lynch, prepared the French bread with the secret spread the morning before at the union hall. The day of the picnic many members also helped make picnic day a success by helping the active members to cook and serve. A report on the picnic will be made at our September meeting at the winery.

The "Fall Brunch" at Don Pico's (The Original Mexican Bistro) will be on Sunday, October 16th. This has to be the best Mexican restaurant on the Peninsula. They have been delighting patrons with authentic Mexican comfort food since 1975. A group of 29 retirees enjoyed an "Occasional Lunch" there last September and it was so great that we voted to have a brunch there this year. Please invite some of your friends and family to join us as we need a minimum of 40 people to reserve the restaurant for this event.

Now that we are in September, there are only 109 days until Christmas and our Holiday Lunch on Tuesday, December 6th is only about 89 days away. Circle your calendar. Your invitation will be in the November newsletter.

Here are a few things to ponder:

Why does a round pizza come in a square box? What disease did cured ham actually have? How is it that we put man on the moon before we figured out it would be a good idea to put wheels on luggage? Why is it that people say they "slept like a baby" when babies wake up like every two hours?
